

**UNITED YOUNG ACADEMICIANS**  
**International Turkic World Young Academicians Congress**

**“The Future of Higher Education in Turkic World”**

***Distinguished Academicians,***

International Turkic World Young Academicians Congress will be held between 23-24 December 2021 in Ankara. “The Future of Higher Education in Turkic World” is chosen as the main theme of the congress with the aim of sharing recent studies on current status of higher education and vision of the future which would shed a light on future of states with participation of academicians across the world.

Language of the congress is Turkish and English. Congress will be in person and includes keynote speeches, special sessions, and presentations of papers. Papers will be evaluated by reviewers. Papers which meet all conditions will be published in the “Book of Congress Papers”.

We invite academicians, experts, representatives of state institutions and organizations, students and all national and international stakeholders who are interested in Turkic World to participate and contribute to the International Turkic World Young Academicians Congress.
